

QUOTE SHEETS
FAITH BASED

HAVE FAITH

I would rather walk with God in the dark than go alone in the light.

Go to sleep in peace. God is awake.

You can never go where God is not.

All you may need, He will provide
Nothing you ask will be denied
No matter what may be the test
Lean weary on, upon His breast.
God will take care of you.

If what's ahead scares you
And what's behind hurts you
Just look above, He never fails to help you.

No matter where I am, God can hear me from there

When there are no words.... God knows.

God has you in His arms. I have you in my heart.

Be Still. And know.

Give God your weakness and He'll give you his strength

"God doesn't give us what we can handle, God helps us handle what we are given."

Never be afraid to trust an unknown future to a known God.

Do your best and let God do the rest

Faith isn't the absence of fear, but the courage to walk through it.

Courage is fear that has said it's prayers.

Today, I open myself to God's blessings, healing and miracles."

God specializes in giving people a fresh start

Your problems are not punishments, they are wake up calls from a loving God.

Come near to God and he will come near to you.

Tears are prayers too. They travel to God when we can't speak.

It is well with my soul

Grace carried me here & by grace I will carry on

Pray hardest when it's hardest to pray

Patience with others is LOVE

Patience with self is HOPE

Patience with God is FAITH

Even in our darkest hour we have faith... It's what counts the most, it's what gives us hope, it's what gets us through.

Sometimes I just look up, smile and say, 'I know that was you, God! Thanks!'"

When God pushes you to the edge, trust Him fully. Either He will catch you or He will teach you to fly

May you find comfort in the arms of an angel.

Lord, I bring to You my burdens. Comfort my heart and give me strength.

Worry ends where faith in God begins

Sometimes I just look up, smile and say, 'I know that was you, God! Thanks!'"

Dear Father... Give me the peace that comes from knowing that where I am, you are and together we can handle whatever comes.

May God hold you in the palm of his hand.

You are a child of God, precious to him in every way.

Be faithful in small things because it is in them that
your strength lies – Mother Teresa

Lord give us faith to go out with courage. Not
knowing where we go, but only that your hand is
leading us.

Your unknown future is in the hands of the all-
knowing God.

Good Morning, this is God,
I will be handling all of your problems today. I will
not need your help.
So have a good day.

Faith is not about everything turning out ok...
Faith is about being ok no matter how things turn
out.

We do not fear, for God never leaves us.

A human life is a story told by God.

Security is not the absence of danger,
But the presence of God, no matter what the
danger.

Maybe we can move from asking God to take care
of the things that are breaking our hearts,
To praying about the things that are breaking His
heart.

Grace, like water, flows to the lowest part.

God uses people who fail... because there aren't
any other kind.

Faith is not knowing what the future holds,
But knowing who holds the future.

Man might say you have trouble,
I would say you have a test...
Love, God

As long as God gives life,
He gives purpose.

Give God your weakness and
He'll give you His strength.

Let your FAITH be bigger than your FEAR.

Faith is not knowing what the future holds;
But knowing who holds the future.

Peace isn't the absence of the dark,
Peace is the assurance of God's presence in the
dark.

My child, you worry too much.
I've got this, remember?
Love, God

Blessed Assurance Jesus is Mine.

Abide with me.

The days we are given are gifts from above. So
today we remember to live and to love.

Lord, help me to remember that nothing is going
to happen to me that you and I can't handle
together.

God is watching over you. I know because I asked
him to.

Lord grant me the serenity to accept the things
that I cannot change, the courage to change the
things I can, and the wisdom to know the
difference.

Wherever you go and whatever you do, may
loving angels watch over you.

Believe you are strong – you are
Believe you will heal – you will
Believe you are loved – it's true
Believe in the good around you – it's there
Believe that God is watching over you – He is

If you look at the world, you'll be distressed
If you look at yourself, you'll be depressed
If you look to God, you'll be at rest.

Heavenly Father,
Give me the peace that comes from knowing that
where I am. You are. And together we can handle
whatever comes.
